

## OFFICE OF THE PRESIDENT - FOR IMMEDIATE ENACTMENT

# A LAW

For the purpose of rejecting the regulatory authority of the Union of Micronational Land Claims, and other purposes

### **ARTICLE I: DEFINITIONS**

- 1) For the purpose of this Law, “the organisation” refers to the Union of Micronational Land Claims.
- 2) For the purpose of this Law, “land claim violations” are violations that arise when two micronations claim the same geographic territory.

### **ARTICLE II: ON THE UNION OF MICRONATIONAL LAND CLAIMS**

- 1) The Amissopian Federation, while acknowledging the well-meaning intent of the organisation, nevertheless rejects its regulatory authority over handling of micronational land claims on the basis of the fact that common sense dictates that the organisation can never be representative of the wider micronational community on grounds of the fact that:
  - a. The current membership is woefully small;
  - b. The size of the micronational community continues to grow exponentially.
- 2) The Amissopian Federation further rejects any efforts by the organisation to attempt to enforce its will on either itself or the micronational community, considering bilateral agreement and the use of existing diplomatic channels such as the Grand Unified Micronational to be a superior framework for preventing land claim violations.

### **ARTICLE III: FOREIGN POLICY AGENDA**

- 1) The Department of State shall maintain a public document, the Amissopian Foreign Policy Agenda, which will list the agenda of the Amissopian Government in terms of its foreign policy priorities.
- 2) The Amissopian Foreign Policy Agenda may be updated:
  - a. By statutory instrument issued by the Minister of Foreign Affairs;
  - b. By any writ of the President;
  - c. By act of Law.
- 3) The Amissopian Foreign Policy Agenda shall not be binding on the Amissopian Government, but shall serve as a public statement of intent of the Government’s priorities in terms of its foreign policy.
- 4) The Amissopian Foreign Policy Agenda shall be amended as follows:
  - a. There is to be a new Article 1, titled “International Organisations”, which shall itself have a Section 1, which shall read as follows:
    - i. “Regarding the Union of Micronational Land Claims: The Amissopian Federation rejects the regulatory authority of the Union of Micronational Land Claims and will continue to recognise the territorial claims of other nations at its own discretion and within the parameters of its foreign policy interests and geopolitical reality.”

### **ARTICLE IV: EXTENT, COMMENCEMENT AND SHORT TITLE**

1. This law shall take effect upon presidential signature.
2. This law shall affect the entire Federation.
3. This law may be referred to in short hand as the UMLC Law.
